

Financial Assistance Application for Retreats & Other Programs

Thank you for your interest in our programs. Awakened Life is a nonprofit organization committed to making our programs accessible to as many people as possible, regardless of financial circumstances. To that end, our registration fees are determined by the actual costs of each program, and the ongoing generosity of individuals in our community makes it possible for us to maintain a Scholarship Fund.

The total amount of financial assistance we can offer for a particular program depends on the balance in the Scholarship Fund, which can vary throughout the year and is dependent on the generosity of community members. We cannot guarantee financial assistance. Awakened Life members and committed participants in the community are given priority for financial assistance. ([Become a member of Awakened Life](#))

We can offer assistance for up to 50% of the program fee. Candidates are eligible to receive financial assistance for one residential retreat and one nonresidential retreat per year.

Applications for financial assistance should be submitted 4 weeks before the start of the retreat or program so that there's time to review them. Applicants will receive a reply at least 2 weeks before the event.

You can check the Retreats & Events section of the [Awakened Life website](#) at [awakenedlife.org](#) for individual program costs. Mail this form, along with your retreat registration form, to: Awakened Life, P.O. Box 2368, Santa Fe, NM 87504. You may also submit this information [via email](#).
